Inquire PTF Record

The Inquire PTF Record option is used to view the information contained in a patient's PTF records. The records are selected by patient name and, if there are multiple admissions for that patient, by admission. The user may select several different patients' records for viewing at one time through this option.

Information provided in the display may include marital status, race, date of birth, admitting eligibility, admission date, discharge date, discharge specialty, type of discharge, ASIH (absent-sick-in-hospital) days, PTF status, date of surgery, anesthesia technique, chief surgeon and surgical procedure (if any), pass days, source of pay, etc. The display will also include exposure to Agent Orange and Ionizing Radiation, Military Sexual Trauma, and Nose/Throat Radium Treatment information. The display will show the census status field if the patient needs a census record for the current census. PERIOD OF SERV field will appear as CAT OF BEN for discharges before 10-1-90.
